

Quality Policy

The management of First National Battery is committed to producing and supplying products on time, that are reliable in operation and safe which meet the specifications and quality requirements of our customers.

To this end First National Battery management and employees will strive to continually improve the effectiveness of our quality management system.

Realistic quality objectives will be set by management and same will be reviewed for ongoing suitability as required, at least annually.

These objectives will be communicated to and understood by relevant employees in a manner that will enable all employees to contribute optimally towards the achievement of these objectives.
